

Erasca Announces Pricing of Upsized Initial Public Offering

07.15.2021

SAN DIEGO, July 15, 2021 (GLOBE NEWSWIRE) -- Erasca, Inc. (Nasdaq: ERAS), a clinical-stage precision oncology company singularly focused on discovering, developing, and commercializing therapies for patients with RAS/MAPK pathway-driven cancers, today announced the pricing of its upsized initial public offering of 18,750,000 shares of common stock at an initial public offering price of \$16.00 per share. All of the shares are being offered by Erasca. The gross proceeds from the offering, before deducting underwriting discounts and commissions and other offering expenses payable by Erasca, are expected to be \$300.0 million. The shares are expected to begin trading on the Nasdaq Global Select Market on July 16, 2021 under the ticker symbol "ERAS." The offering is expected to close on July 20, 2021, subject to the satisfaction of customary closing conditions. In addition, Erasca has granted the underwriters a 30-day option to purchase up to an additional 2,812,500 shares of common stock at the initial public offering price, less underwriting discounts and commissions.

J.P. Morgan, Morgan Stanley, BofA Securities, Evercore ISI and Guggenheim Securities are acting as joint book-running managers for the offering.
